

UNITED STATES DISTRICT COURT
for the
EASTERN DISTRICT OF NORTH CAROLINA

U.S.A. vs. Douglas Stevens

Docket No. 5:12-CR-210-1D

Petition for Action on Supervised Release

COMES NOW Julie Wise Rosa, Senior U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Douglas Stevens, who, upon an earlier plea of guilty to Receipt of Child Pornography, in violation of 18 U.S.C. § 2252(a)(2), was sentenced by the Honorable James C. Dever III, Chief U.S. District Judge, on February 21, 2013, to the custody of the Bureau of Prisons for a term of 63 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 180 months.

Douglas Stevens was released from custody on January 20, 2017, at which time the term of supervised release commenced.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

The defendant is currently on supervised release as a result of his conviction for Receipt of Child Pornography. The Eastern District of North Carolina Probation Office no longer requires a defendant to abide by the rules and regulations of the NCE Sex Offender Program. Instead, the probation office has tailored specific additional conditions to meet the needs of each offender. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision that he and the probation officer both believe will help him be successful while completing his term of supervised release.

PRAYING THAT THE COURT WILL ORDER the removal of the North Carolina Eastern Sex Offender Program Conditions that was previously ordered by the court and supervised release be modified as follows:

1. At the direction of the U.S. Probation Officer, the defendant shall consent to the installation of systems or software that will allow the probation officer or designee to monitor computer use on any computer that the defendant owns or is authorized to use. The defendant shall pay the costs of this monitoring.
2. The defendant shall not associate or have verbal, written, telephonic, or electronic communications with any person under the age of eighteen (18), except: (1) in the presence of the parent or legal guardian of said minor; (2) on the condition that the defendant notifies the parent or legal guardian of the defendant's conviction or prior history; and (3) with specific, written approval from the U.S. Probation Officer. This provision does not encompass persons under the age of eighteen with whom the defendant must deal in order to obtain ordinary and usual commercial services (e.g., waiters, cashiers, ticket vendors, etc.).
3. The defendant shall not possess any legal or illegal pornographic material, including any materials depicting and/or describing "child pornography" and/or "simulated" child pornography as defined in 18 U.S.C. § 2256, nor shall the defendant enter any location where such materials can be accessed, obtained, or viewed, including pictures, photographs, books, writings, drawings, videos, or video games.

4. At the direction of the U.S. Probation Officer, the defendant shall submit to physiological testing, which may include, but is not limited to, polygraph examinations or other tests to monitor the defendant's compliance with probation or supervised release and treatment conditions.
5. The defendant shall submit to a psycho-sexual evaluation by a qualified mental health professional who is experienced in evaluating sexual offenders and who is approved by the U.S. Probation Officer.
6. The defendant shall participate in a sex offender treatment program as directed by the U.S. Probation Officer, and the defendant shall comply with and abide by all the rules, requirements, and conditions of the treatment program until discharged. The defendant shall take medication as prescribed by the treatment provider.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing is true and correct.
